## We don't Monkey Around!

### Things we are learning:

- ◇ This week we are completing our class research project on patterns in the sun, moon, and stars.
- ◇ We are working on addition with regrouping (carrying). The test will be Wednesday.
- ◇ Reading compound words and words with suffixes -ly, -ful and oo patterns
- ◇ We are still using and recognizing adjectives
- ◇ Finding the cause and effect in a text

### Things you can practice at home:

- ◇ Sight Words: across, because, dance, only, opened, shoes, told
- ◇ Practice adding with regrouping (carrying).
- ◇ Practice finding causes and effects when reading in a text.

## Special Notes:

Continue practicing subtracting 5 from a number 1-24. The test will be this week.

Be on the lookout for a note coming home tomorrow or Wednesday about our testing buddies. In first grade we do not take K-PREP, but we like to encourage those that do. We will be sending them a note with a treat for each day of testing. I'll be asking for your help purchasing those treats!
