We don't Monkey Around!

Things we are learning:

- ◇ Describing how other cultures celebrate Christmas
- ◇ Using a topic sentence and closing sentence in informational writing.
- ◇ Collecting data and answering questions from picture and bar graphs.
- ◇ Distinguishing long and short vowels in words
- ◇ Creating contractions

Things you can practice at home:

- ◇ Sight Words: no new sight words. We will be assessed on all previous ones.
- ◇ Discuss which country we talked about and what they do for Christmas.
- ◇ Data test Thursday. The hardest part is answering how many more/how many fewer type questions. Create graphs and ask/answer these types of questions.

Special Notes:

Thank you so much for all of the items you sent in for our family fun basket! It was a huge success (one of the highest selling baskets!) You guys rock!

We will not be doing any math facts quizzes this week. We will start with adding 9 at the beginning of next year!

Our trip to the Holiday Shop is **tomorrow!** If you want your child to shop, be sure to send money.
