June 1-3, 2014

**Mrs. Denmark**

kandice.denmark@bullitt.kyschools.us

School: 502-869-2400

## Special Notes!

There are still a few yearbooks available for \$17 if you would like one, you may contact the school office at 869-2400.

**Field day is Wednesday.** Students may dress down for free. Tank-tops are allowed, but spaghetti straps are not. Please remember to wear sunscreen. Hats are also an option. You may bring a water bottle if you wish, but your student is responsible for carrying it station to station.

\*It looks like there probably won't be a concession stand. If a parent wants to send in a drink or snack for the class, I can keep the drinks in my refrigerator and we can have an afternoon break with a snack.

## Summer Learning:

- ◇ You are going to receive a sheet about SplashMath. It is a website which helps students not to lose ground over the summer. Today you are receiving a page with my educator code. You need this code to sign up for free, otherwise it is \$19..
- ◇ Students should practice 3 times a week for about 20 minutes.
- ◇ You can also still access Lexia and compass learning this summer.

## Specials

Mon. – Arts and Humanities

Tues. – Library

## An Elephant Never Forgets!

### Important Dates:

6/3– Last Day/ Field Day
