## We don't Monkey Around!

### Things we are learning:

- ◇ Investigating sound waves
- ◇ Writing with details by making characters move and speak
- ◇ Review declarative (telling), exclamatory, and interrogative (asking) sentences.
- ◇ Adding 3 digits in word problems~ Test Friday
- ◇ Review short vowel words
- ◇ Match cause and effect

### Things you can practice at home:

- ◇ Sight Words: (review)
- ◇ Provide lots of opportunities for students to tell you stories of things that happened to them. *Expect details!*
- ◇ Practice naming a cause or effect and your student name the other.
- ◇ Practice solving word problems with 3 addends. Review the math test that came home today, and practice traditional word problems.
